Credits for courses taken prior to April 2026

Anyone who has taken courses with us prior to April 2026 can claim the following credits towards the Honours programme. For online courses, this applies whether you took those courses with live sessions or by self-study.

Astrology & the Symbolic Imagination – online course 2024 or 2025
You do not need to retake the Astrology & the Symbolic Imagination Core Course and can claim the **40 credits**.

However, if you wish to join the programme in 2026, please contact us to register this, and to receive the Orientation pack and the invitation to attend the Cohort Assembly on Zoom on 21 April.

Place and Time – online courses 2024 or 2025
If you took both Place and Time, you do not need to do the Place & Time Core Course and can claim the **40 credits**.

If you took just one of them, either Place or Time, you will need to do the Place & Time Core Course but will be awarded **20 Elective credits**.

The Homeric Hymns – online course 2025
You will be awarded **20 Elective credits**.

Astrology & Alchemy live workshop in Shrewsbury, 2024
You will be awarded **20 Elective credits**.

Astrology, Myths & Fairy Tales live workshop in Shrewsbury, 2025
You will be awarded **20 Elective credits**.
